New York, NY 10016

Dear Mr Schlossberg,

We understand that you must be hurting right now and it's hard to imagine what it's like to be in your shoes. Such media attention must make you feel bad, and we hope you have a true friend you can share your feelings with (consider awarding them with a True Friend Diploma, BFF). If you'd wish to apply for a Forgiver's License, please file the attached Form 601(c), the Compassion Exam and submit your application to the ECN (Attn: Processing Department) with a photo you'd like to use on your license. If you wish to apply for a Class B license (forgive others only) please note that occasionally applicants may receive a free upgrade to Class A license (forgive oneself and others). Please remember to contact our customer service department with any questions you may have. A famous Rabbi once said that questions are 1348.7% more likely to make the world a better place than concrete answers.
